A 'Richard & Judy' Recommended Book... ' Cross Dressed to Kill '

THE HILARIOUS PRIZE WINNING BESTSELLER...

Wickedly Funny, 'British Black-humor at its very best.'

Set in small town Middle England where nothing nasty should happen, this witty thriller will make you laugh, cry, and question one or two of life's quirkiest realities. Lying somewhere between Niall Johnson's and Richard Russo's 'Keeping Mum' and CBS televisions 'Dexter' (a serial killer hero - should you love him or hate him?). 'Cross-dressed to kill' picks up the story of a likeable rogue, a gently camp hairdresser who, disappointed with life and disillusioned with his once glittering career, after he begins chatting neurotically to his contrary reflection in a salon mirror, starts disposing of his most irritating clients. The novel follows its 'hero' through the course of one turbulent year, charting half a dozen unfortunate murders, a host of twists and turns, and ultimately a devastating revenge...
