Fundamentals of International Business (with World Map and InfoTrac) Michael R. Czinkota, Ilkka A. Ronkainen, Michael H. Moffett

Fundamentals of International Business is a concise introduction to international business with special emphasis on the environmental and cultural issues facing global organizations. The distinguished author team's academic and practitioner experience both in business and government ensures a balance of research and practical insight. The text includes the latest trade data presented in easy to understand tables and graphs. Contemporary business situations and critical events are featured and discussed in each chapter-with special attention to the impact technology. Throughout the text every effort has been made to present complex ideas in an easy-to-understand language and format. The brief length, balance, and student-friendly features make this an affordable and manageable choice for any International Business course.

From reader reviews:

Benita Eldridge:

In this age globalization it is important to someone to get information. The information will make anyone to understand the condition of the world. The health of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher which print many kinds of book. Often the book that recommended to you personally is Fundamentals of International Business (with World Map and InfoTrac) this reserve consist a lot of the information from the condition of this world now. That book was represented how does the world has grown up. The words styles that writer use to explain it is easy to understand. The actual writer made some analysis when he makes this book. This is why this book suited all of you.

Ines Patterson:

Many people spending their moment by playing outside having friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to invest your whole day by examining a book. Ugh, do you think reading a book will surely hard because you have to use the book everywhere? It alright you can have the e-book, getting everywhere you want in your Cell phone. Like Fundamentals of International Business (with World Map and InfoTrac) which is having the e-book version. So , why not try out this book? Let's see.

Christie Rich:

As we know that book is very important thing to add our information for everything. By a reserve we can know everything you want. A book is a group of written, printed, illustrated as well as blank sheet. Every year seemed to be exactly added. This e-book Fundamentals of International Business (with World Map and InfoTrac) was filled concerning science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading any book. If you know how big advantage of a book, you can feel enjoy to read a reserve. In the modern era like at this point, many ways to get book that you just wanted.

Deon Henderson:

Do you like reading a book? Confuse to looking for your favorite book? Or your book was rare? Why so many problem for the book? But just about any people feel that they enjoy intended for reading. Some people likes studying, not only science book but in addition novel and Fundamentals of International Business (with World Map and InfoTrac) or perhaps others sources were given know-how for you. After you know how the great a book, you feel would like to read more and more. Science guide was created for teacher or maybe students especially. Those textbooks are helping them to include their knowledge. In various other case, beside science publication, any other book likes Fundamentals of International Business (with World Map and InfoTrac) to make your spare time more colorful. Many types of book like this.
