Language in thought and action, S. I. Hayakawa, S. I. Hayakawa

From the Foreword: "This book began as a revision of 'Language in Action,' published in 1941. Events since that date have naturally caused me to reexamine the whole of that earlier book. Some statements to be found there, unhappily, have been given a sharper, tragic significance by ensuing events; some statements, on the other hand, especially those in which it was asserted that the semantic discipline could be applied to the solution of many social and individual problems, now appear to me to have been somewhat oversimplified...."
