## **Lender Liability - 3rd Edition** A. Barry Cappello

Lender Liability is the leading one volume work on the subject. This area of the law has grown and matured significantly over the years and is now recognized as a distinct body of law that is the basis of thousands of lawsuits filed over the last decade. Written for both lenders' and borrowers' attorneys, Lender Liability discusses the basics and more advanced issues relating to lender liability. Topics include 1) an extended analysis of where and how lender liability problems arise, 2) common law and statutory theories of liability, 3) bankruptcy concerns and 4) lawsuits against failing or failed financial institutions. A sample complaint, request for production of documents, interrogatories and jury instructions are included as well as tables of state and federal cases and statutes, rules and regulations. This handy reference work is ideal for either the experienced practitioner or the neophyte involved in representing an institution or client whose interests involve bank liability.
