Spice Up Your Marriage will take you on a 28-day adventure that is guaranteed to kick things up a notch in the bedroom (kitchen, car, and/or laundry room) and leave you overwhelmed with passion for your spouse.

Are you a woman who struggles with feelings of bashfulness? Has your marriage fallen into a sexual rut? Maybe you're simply looking to infuse your marriage with a little extra fun and excitement.

This eBook is for all of you.

Each day offers three options -- mild, medium, and hot -- so that you can tailor your journey to better meet your needs and stay within your comfort zone. The multiple choices will also allow you to use this book countless times without ever repeating the exact same journey.

Every assignment was created with the goal of deepening the sexual-love aspect of your relationship so you won't find suggestions that demean or objectify. Contrary to what popular culture may assert, the spiciest relationships are the ones that cultivate trust, selflessness, and respect.

While this 50 page eBook was written with women in mind, with a few minor tweaks, there's no reason a husband couldn't take the lead. In fact, it's highly encouraged!

Are you ready? Let's get started...
