Millie Sanders' happily ever after is suddenly destroyed when her husband of 35 years comes home one day and informs her that he is leaving her for another woman. To make matters worse, the other woman happens to be her "friend" and hairdresser.

After months of mourning and moping around the house, she stumbles upon a help wanted ad in the newspaper for the perfect job as an assistant cruise ship director. Before Millie can talk herself out of it, she fills out the application and mails it in. Much to her surprise, not only does the company contact her, they hire her!

Determined to start a new life and new career, Millie boards the ship, ready for a new adventure. She isn't on board the massive floating city - her new home - more than ten minutes when a dead body is discovered near the atrium bar.

Her curiosity gets the best of her and before she knows it, Millie finds herself right in the thick of the investigation. With a little help from a new friend and shipmate, the amateur sleuth discovers that the deceased had more enemies than friends, making this murder an even tougher case to crack.

Will Millie delve too deeply and risk losing her job – and possibly her life?
