Wicca is America's fastest growing religion. By the year 2012, it's projected to be the third largest religion in the United States.

In *Generation Hex*, Marla Alupoaipei and Dillon Burroughs explore the history, culture, and practices of Wicca. As part of their research, they interviewed travelers to historic Salem, Massachusetts, consulted practitioners of leading neopagan conferences in the Pacific Northwest and Canada, and dialogued with several current and former adherents of Wicca and other forms of witchcraft to evaluate the past and present of this growing spiritual tradition.

The result is a compelling account that will inform and equip Christians (especially parents) to understand Wiccan and New Age teachings. Readers will have confidence to explain this belief system to others and to communicate the gospel to those caught up in this practice.

Generation Hex identifies with the spiritual hunger of a generation seeking truth, authenticity, and hope in a fragmented world. It's perfect for personal study or as a gift for anyone interested or involved in Wicca.
