The first book to capture both the arms and family history of the old Irish Septs, and the newer 'settler' families from Scotland and England. Documented with Locations, Dates and Sources. The actual Color Coats of Arms and Blazons are included for many of the families, and many others are displayed in black and white exactly as they are found in the old works in the Irish Archives. Seats of power; forfeited arms; Extinct lines; Noble orders; Badges; and Peeresses are included, making this the most complete work of its kind.
