The Tales of Amalie is a story of a young girl, who having

witnessed her mother die, now only has her animals for friendship. 'Be

transported to a time where pagan laws rule and witchcraft is rife.

When secrets, lies and the relentless pursuit of power corrupt the

innocent, strange things start to happen when the witches moon is

full.' What follows is a Grimm Fairytale for modern times and

remember; be careful what you wish for....

This compelling fairytale will stay with you forever.
